Q. No	Reply
As per the recent order from DoPT. Attendance is made mandatory for every dept and every perosn to mark on regular basis irrespective of the group the person is present in. I want to enquire if all the 3rd generation IITs are following the same or not.	Yes
If yes then Kindly provide the details of the attendance of 3 person each for all the groups or level. If no, please provide the office order, and if any group or level of the employee are exempted from marking the attendance kindly provide the order from the same as well. If there is no such order then why the same being not followed as per the order issued by ministry.	The details of employees is personal in nature and cannot be shared under section 8(j) of RTI Act, 2005.
